a man who said he had bought all books sometime ago called & ordered all we have & will send check in full. Told him to mark autograph on order Wants them for his grandson who he wants to get the truth & not fiction -

Saw recently Reasonable Doubt by Clip and thought you were great but you shd have had whole show of your own - I explained all we can supply is orig bks - the 2 others which he has we don't sell -

I'm in this area from time / time & hoped to meet you but had met w/ discouragement because of your health - I told him to call you & speak w/ you about it & said he could next time he's this way
